Thanks, Ellie! I'll let our attorney know. It has been quite a swirl of activity the last couple of days.

Hey jenny – thanks for this. Give me a little bit of time to get through accumulated emails and voicemails after being out the last couple of days.

And, as an FYI, Ron Lavigne, our asst. AG will be attending the meeting.

More later,
Ellie

Hi Ellie,

I hope you had a good couple of days in training. As in my voicemail, we're planning for next Wednesday's meeting. Since Ecology asked for the meeting, I wanted to check in with you on the agenda. I drafted an agenda for what I thought would be useful to cover, but we're happy to approach this meeting however Ecology prefers. Please let me know what you think.

Also, if you can let me know who's attending from Ecology, particularly if you have attorneys, I can let our attorney know whether she can be there. Also, it would be great to touch base on how much Ecology wants to talk on the Columbia River temperature TMDL. Obviously the focus is on the permits, but there's overlap. Thanks! - Jenny
